HUMAN-CENTRED LEADERSHIP TALKS THAT ELEVATE PERFORMANCE, RETENTION AND INCLUSIVE CULTURE

## SIGNATURE TALK

### Leading Beyond...

*Inspiring action to go beyond limits.*

#### About Jasmine

Jasmine is a leadership speaker and trainer who partners with organisations to deliver high-impact keynotes and development experiences that transform how people think, lead, and perform.

A multiple award-winning international keynote speaker and coach at Lead with Difference Global, Jasmine is trusted by organisations including the NHS, University of Greenwich, Sussex Police, and Dornan to strengthen leadership capability, champion inclusive cultures, and drive measurable improvements in wellbeing, retention, and performance. Widely recognised for her work with underrepresented groups, she has also been featured on BBC News.

Drawing on her lived experience of business failure, overcoming abuse, and leading teams through change, Jasmine brings depth, credibility, and real-world insight to every stage. She is known for delivering sessions that are both deeply engaging and practically transformative—equipping audiences with the mindset, confidence, and tools to take immediate, meaningful action.

At the centre of her work is Lead Beyond, Lead with Difference Global's signature framework and intellectual backbone. It blends mindset, behaviour, and measurable action to help leaders lead with authenticity, courage, and sustained impact.
